

TEMPLINE™ PREMIUM GRASS PAINT

Setting the Standard for Grass Paint Performance

TempLine™ Premium Grass Paint – The Best and the Brightest!

If you want a field paint that works as hard as you do, you need to know about TempLine™ Premium Grass Paint.

TempLine™ has raised the bar for excellence in grass paint.

Turn dull white lines into eye-catching bright lines with Premium Grass Paint:

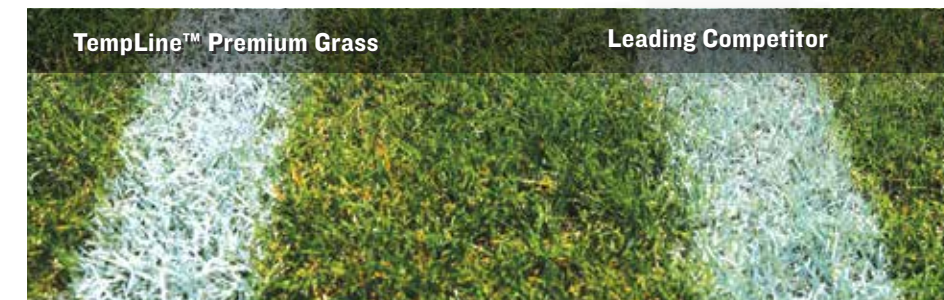

- A durable coating that stays on the field and off of uniforms
- Quick preparation and easy application
- A price that won't break your budget

TempLine™ went the extra mile to create this truly top-notch product.

- Brilliant white and rich colors, built with the best pigments
- Superior performance without harming grass or soil
- Dilutes 1 to 1 with water to produce 10 gallons of paint
- Easily applied with virtually any sprayer system

Worry less, and celebrate more with TempLine™ Premium Grass Paint.

- A high quality grass paint with a sports industry pedigree
- A trusted brand with an eco-friendly reputation
- Available planning and technical support from a team of experts
- Superior overall performance at a reasonable price

Let's start setting your field apart today.
